

DYNAMO19 RGBL

▲ PRODUCT INTRODUCTION

Dynamo 19 RGBL is part of a new generation of RGBL color mixing moving lights. This wash effect light features a 3.5° -38° precise zoom range, HSIC color mixing system that allows to easily pick up a color, color temperatures from 1800K to 10000K and a 3-section LED ring control. This model already comes with the CCS (Color Consistency System) technology, that provides a color consistency, in different intensities, for each model of the same family.
